For: POLYMERIC LAMINATES, PROCESSES FOR PRODUCING THE SAME, AND USE
THEROF

STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Please review and enter the following remarks summarizing the interview conducted on
May 26, 2009.

REMARKS

An Examiner's Interview Summary Record (PTO-413) was mailed June 1, 2009.

During the interview, the following was discussed:

The Examiner called on May 22, 2009, since the Examiner thought that Applicants did not respond to the non-final office action filed on October 28, 2008 within the six month period for response, and a message was left in this regard. Applicants' Attorney called back on May 26, 2009, and pointed out that a response had been filed. The Examiner confirmed it had been scanned on April 22, 2009. Accordingly, the Examiner indicated that he would ask the docket staff to enter the response into the Examiner's docket.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.

It is believed that no petition or fee is required. However, if the USPTO deems otherwise, Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee, for such extension is to be charged to Deposit Account No. 19-4880.

Respectfully submitted,

/Ryan C. Cady/
